

Public Notice Submission

Provider Name: Millington Telephone Company

Summary: Millington Telephone Company ("Millington") offers this response to the Round 2 BTOP applications that propose projects in areas that overlap Millington's existing incumbent service territory. There are 16 census tracts that are either completely or partially within Millington's incumbent service territory, which is located in parts of Fayette, Haywood, Shelby and Tipton Counties in Tennessee. Millington offers residential and business broadband services in several tiers with speeds ranging from 1.5 Mbps downstream / 384 Kbps upstream to 6.0 Mbps downstream / 768 Kbps upstream through xDSL technology. Approximately 80% of the households and businesses in Millington's incumbent service territory have access to broadband services. There are 322 Community Anchor Institutions in Millington's incumbent service territory that subscribe or could subscribe to broadband services. Millington also has 7 Point of Presence locations where requesting carriers or third-party providers can purchase Middle Mile transport services at speeds of up to 1 Gbps.
