

## **Public Notice Submission**

**Provider Name:** Telepak Networks, Inc.

**Summary:** In the state of Mississippi, Telepak Networks, Inc. (Telepak), a Mississippi corporation headquartered in Ridgeland, MS, is one of the leading alternative service providers to the local RBOC (Regional Bell Operating Company). Telepak has more Points of Presence (POPs) than any other alternative service provider in the State. Telepak has been in business for 12 years and is a subsidiary of a company with a 40 plus year history in the telecommunications industry. Telepak is Mississippi's first provider of fiber optic cable to the home. Telepak currently provides telecommunications, broadband, and video services to the home facilities to the residents and businesses located in Crystal Springs, Gallman, Inverness, and Roxie, MS over fiber
