\* The effective audit measure became a UI Performs Core Measure as of January 1, 2011. Thus, data for CY 2010 as shown in this table is for information purposes only. Full implementation of the effective audit measure is scheduled for CY 2013 data. Since the FY 2015 State Quality Service Plan (SQSP) will use CY 2013 Effective Audit Measure results, a state that fails the measure will not be required to write a Corrective Action Plan until the FY 2015 SQSP.

\*\* A state passes the effective audit measure when its performance meets or exceeds each of the minimum standards for each of the factors shown in the previous columns.
