PLEASE DO NOT REPLY TO THIS NOTICE

General Information

A scheduled maintenance outage of the Student and Exchange Visitor Information System (SEVIS) will occur this Friday, December 2, 2011. The outage will begin at 8:00 p.m., ET, Friday night and will end at 2:00 a.m., ET, Saturday morning. Users will not have access to the SEVIS production environment during the outage. Please note that the Student and Exchange Visitor Information Program will not distribute a follow-up e-mail notification of system availability.

For SEVIS Batch Users

SEVIS batch processing will be unavailable until the scheduled maintenance is complete. Please refrain from uploading files in the SEVIS production environment during the outage. Files uploaded during the error will receive an error. This will necessitate uploading them again once the SEVIS production environment is available.
