

TRANSPORTATION DIVISION PASSPORT OFFICE

The Transportation Division Passport Office has been designated as a Military Passport Acceptance Agency by the U.S. State Department for accepting official, no-fee (dependent) and tourist passport applications. Diplomatic passport applications cannot be accepted by the Transportation Division Passport Office and must be submitted directly through the U.S. Embassy. As a Military Passport Acceptance Agency, we do not produce passports, but rather act as an authorized courier between you and the U.S. State Department for passport applications. The requirements vary depending on the type of passport application submitted and individual Status.

Visit our website @ <http://humphreys.korea.army.mil/Passports> for accessing related Passport information and applicable forms. The assistance provided by the Passport Office for your Passport needs include the following:

1. Applications for all minors and first time application as an adult
2. Application renewal for an adult
3. Application for additional pages or miscellaneous passport services
4. Application for name change, data corrections, and limited Passport book replacement
5. A3 Visa and SOFA Stamp forms and related information
