

Navy and Marine Corps Disability Attorneys

You have the right to consult with an attorney regarding your findings. To find your Disability Attorney, locate your Medical Treatment Facility (MTF), and contact an attorney using the information listed below.

Navy and Marine Corps Disability Attorneys can assist you throughout the IDES/Medical Evaluation Board (MEB) process by providing the following services: case assessment at referral, case development, requests for medical treatment/documentation, review of MEB package, review of Non-Medical Assessments (NMAs), assistance with rebuttal statements, assistance with personal statements, requests for Impartial Medical Review (IMRs), assistance with VA reconsideration petitions, FPEB case preparation and coordination with detailed FPEB attorneys for successful FPEB representation, coordination with other agencies/organizations to secure benefits, and outreach to area personnel and commands regarding Disability Evaluation System (DES) matters.
