

Volunteer opportunities abound at Corps projects across the nation. Visit the Volunteer Clearinghouse at: [www.orn.usace.army.mil/volunteer/default.html](http://www.orn.usace.army.mil/volunteer/default.html), or call 1-800-865-8337, for information on a variety of volunteer opportunities available in the Mobile District or with the Corps throughout the nation. In the Mobile District more than 10,000 volunteers donated their time last year.

Volunteering at a local park is an excellent way to give back to your community. The Allatoona Lake Project offers a wide variety of available volunteer activities. Currently, the Allatoona Project is trying to build a solid volunteer base. A few examples of volunteer activities last year at Allatoona Lake include: blue bird box maintenance, tree planting, trail maintenance, bat house construction, park hosting, the Great Lake Allatoona Cleanup, and many others. If you would like to volunteer your services for any of our worthy projects, please contact the volunteer coordinator at 678-721-6700.
