Friday 6/5; 3:17pm	Steve Meacham, Senior Staff Associate	NSF responded to a 6/05 email from the lobbyist in which he had requested an appointment for two members of a university's senior management team to meet with NSF ARI-R2 program staff at 11am on June 10, 2009. The response indicated that staff would be available at this time and reminded the lobbyist and client that program staff will not be able to provide feedback on the merits of particular proposal ideas.
