

NATIONAL ENVIRONMENTAL POLICY ACT

Management Review Team
Concurrence Sign-Off

April 24, 2001

ACTION: DRAFT ENVIRONMENT ASSESSMENT OF GROUND WATER
COMPLIANCE ACTIVITIES AT THE URANIUM MILL TAILINGS SITE,
SHIPROCK, NEW MEXICO

ISSUE: Draft Environmental Assessment of Ground Water Compliance at the Uranium
Mill Tailings Site, Shiprock, New Mexico, to the Navajo Nation, federal and tribal
regulatory agencies, and other interested stakeholders for review and comment.

RECOMMENDATION:

The Management Review Team and the DOE-AL NEPA Compliance Officer have
determined that this EA meets the requirements of 10 CFR 1021 and implementing
guidance and is adequate for transmittal to the external stakeholders.
