^{/1} Eligible securities for which a third party price is not available are assigned an estimated market price. The margin for the >10 duration bucket is applied to such securities.

^{/2} Securities and Instruments are not acceptable if they are issued by the pledging bank or by an affiliate of the pledging bank. Corporate bonds include securities issued under the FDIC's Temporary Liquidity Guarantee Program (TLGP) and the National Credit Union Association's Temporary Corporate Credit Union Liquidity Guarantee Program (TCCULGP).

^{/3} U.S. Government or Guaranteed Agencies' and Government Sponsored Enterprises' (GSE's) only.

^{/4} Individually deposited loans are loans pledged to Treasury via the Automated Loan Deposit system. Loans pledged through other means are classified as group deposited loans.

All pledged collateral must be transferable and owned by the depository free and clear of all liens, charges, or claims. A detailed list of acceptable collateral for the TT&L Program can be obtained from Treasury's Bureau of the Public Debt website (www.treasurydirect.gov).
