AMERICA LOVES HEROES, and our nation is fortunate to have an abundance of them. But most of these heroes never appear on television or in the paper. They simply go about their lives and work with an uncommon selflessness and without fanfare. Of all the unsung heroes who are making our country stronger, some of the most remarkable are the ones who work for it—America’s federal employees.

If you know an outstanding federal employee—who inspires you and whose story will inspire the nation—nominate them for a *Samuel J. Heyman Service to America Medal*.

Award categories include:

- ★ Call to Service
- ★ Career Achievement
- ★ Citizen Services
- ★ Homeland Security and Law Enforcement
- ★ Management Excellence
- ★ National Security and International Affairs
- ★ Science and Environment

The recipients of the *Samuel J. Heyman Service to America Medals* are publicly announced and honored each fall at a gala celebration in Washington, D.C. Winners also receive cash awards from \$3,000 to \$10,000.
