

We loaded in the man trip at Ellis started towards the long wall & Head Gate 22 at around 45 dk we seen Tim Blake with his GCSR. We left Tim and Pat at the man trip at 45 and started on foot towards #78 dk We went about 5 dk in by and turned around and went back for more GCSR's We got the GCSR and went back in by towards #78 dk again at around #64 dk Chris and Jason ~~to~~ said to go back and get the man trip. I turned around and went back to 45 dk and told Pat to take the man trip up to the in by crew. at that time I stayed at 45 dk with Tim After a short time Gary May came walking towards me and Tim. I told Gary about I thought where the in by crew were at Jim and Berman went on foot in by while I stayed with Tim at #45 dk Jim Walker & Rick Foster stayed with me and Tim After a ~~short~~ short time the man trip came from in by and said to load up and go out Ellis We loaded up and went out Ellis
