Turn-around time for tourist passports is approximately two (2) to three (3) weeks.

Turn-around time for official/no-fee passports is approximately eight (8) to ten (10) weeks.

You may receive a call from “ACS” informing you that your passport is ready for pick-up. Although the Army has an ACS office (Army Community Services) here on Camp Humphreys, the US Embassy also has an ACS office (American Citizen Services), and it’s the US Embassy’s ACS office that makes calls regarding passports. If notified by “ACS” that your passport is ready for pick-up, it means that your passport is available for pick-up from the US Embassy only, and you should not go to Army Community Services or come to the Transportation Division, Passport Office looking for your passport. The Transportation Division, Passport Office normally picks up passports from the US Embassy weekly on Wednesdays, and will notify you if your passport is ready for pick-up from our office.

Finally, the Transportation Division, Passport Office does not maintain passports for an indefinite period. As an applicant, or sponsor of an applicant, it’s your responsibility to provide proper contact information and follow up in a reasonable period based on the above turn-around times to pick up your passport(s). Passports not picked up in a reasonable time period, without a valid reason, are returned to the US Embassy as unclaimed for disposal.
