

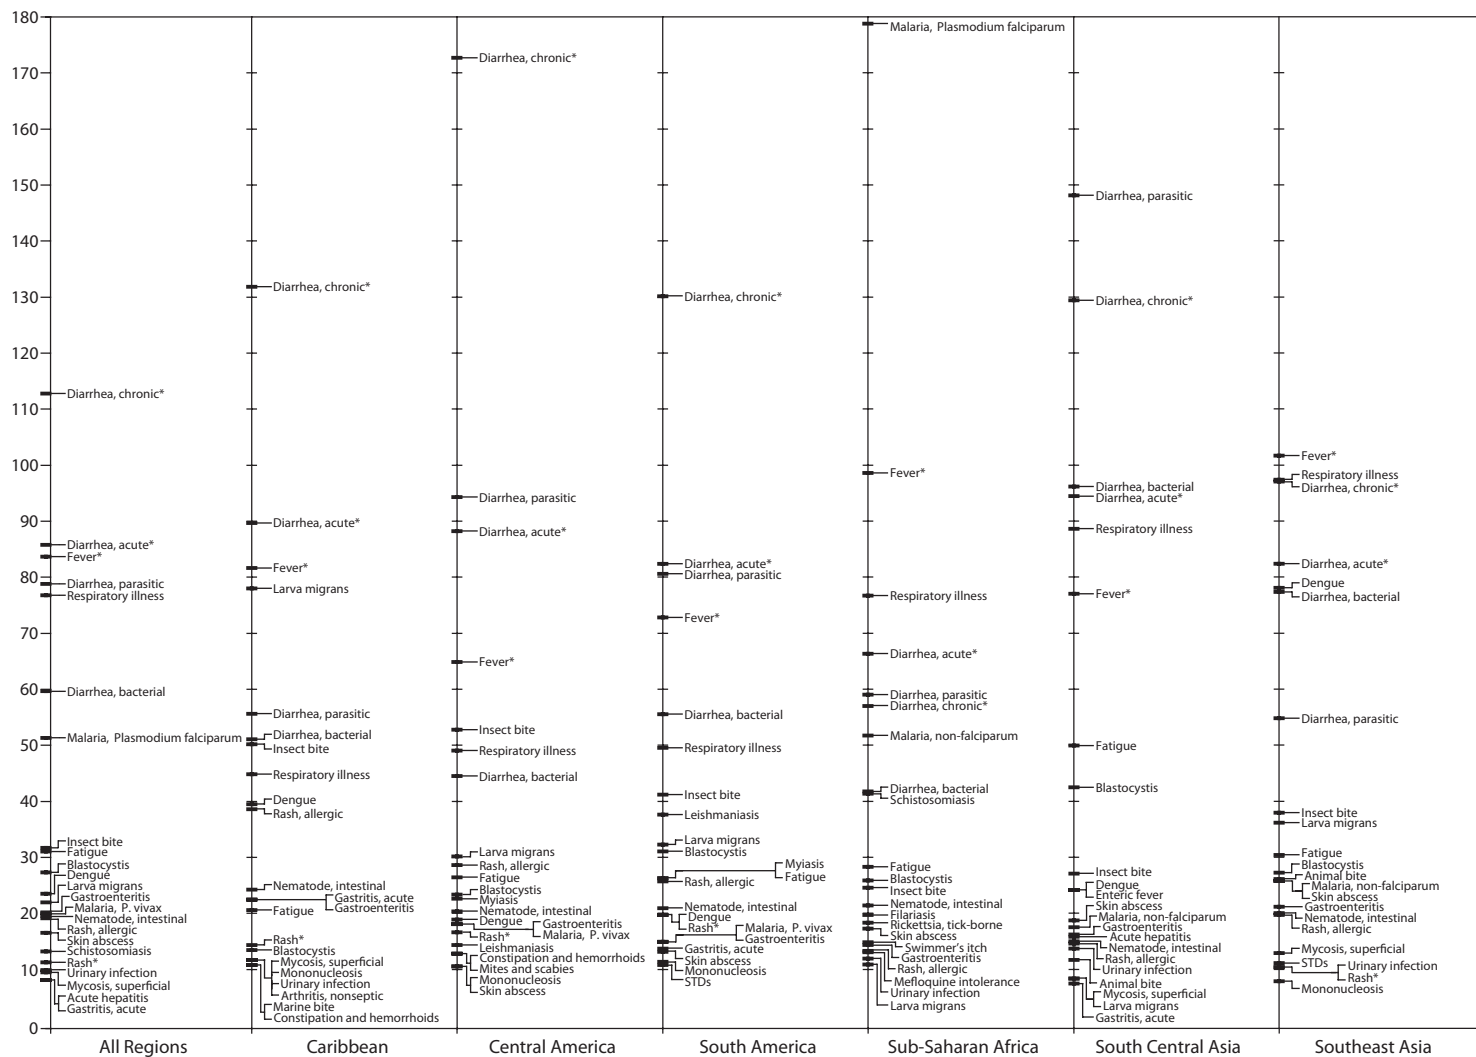

Figure 1-02. Proportionate morbidity among ill travelers returning from the developing world, according to region of travel^{1,2}

¹From Freedman DO, Weld LH, Kozarsky PE, Fisk T, Robins R, von Sonnenburg F, et al. Spectrum of disease and relation to place of exposure among ill returned travelers. N Engl J Med. 2006 Jan 12;354(2):119–130. Copyright © 2006 Massachusetts Medical Society. All rights reserved.

²Proportionate morbidity, not incidence rate, is shown for each of the top 22 specific diagnoses for all ill returned travelers within each region. STD denotes sexually transmitted disease. Asterisks indicate syndromic diagnoses for which specific etiologic diagnoses could not be assigned.
