

# Issues in Digital Pathology

## Questions for CLIAC Consideration

1. **What steps can HHS take to facilitate the safe development and implementation of digital pathology?**
2. **Should HHS provide a clarification of the requirements that impact digital pathology?**  
**Possible CLIA issues might include:**
  - a. Test system verification
  - b. Personnel
  - c. Definition of "laboratory"
  - d. Record retention
3. **Are there non-CLIA regulatory issues to consider?**
