

U.S. Life Cycle Inventory Database Dataset Additions -

Type / Category	Dataset Name
Chemical Manufacturing	Poly lactide Biopolymer Resin, at plant
Chemical Manufacturing	Recycled Postconsumer HDPE Pellet
	Recycled Postconsumer PET Flake
	Recycled Postconsumer PET Pellet
Waste Management and Remediation Service	Deposit containers, at collection, CRV
	Deposit containers, at collection
	Mixed recyclables, at collection, commercial
	Mixed recyclables, at collection, curbside, volume basis
	Mixed recyclables, at collection, curbside, weight basis
	Mixed recyclables, at collection, dropoff center
	Mixed recyclables, to MRF
	Mixed recyclables, sorted, at MRF
Crop Production	Soybeans, at field
	Soybeans, at field, 1998-2001 (renamed)
Chemical Manufacturing	Soy biodiesel, production, at plant
	Soy oil, refined, at plant
	Soy-based polyol, at plant
	Soy-based resin, at plant
	Soybean oil, crude, degummed, at plant
Forestry and Logging	Bark, softwood, average, at forest road, INW
	Bark, softwood, average, state or private dry forest, at forest road, INW
	Bark, softwood, average, state or private moist cold forest, at forest road, INW
	Bark, softwood, national forest, average, at forest road, INW
	Chainsawing, hand felling and delimiting, INW
	Crew to Burn Bole Only slash in the Woods, INW
	Delimiting, slide boom delimeter
	Felling, feller buncher, > 200 HP, INW
	Greenhouse seedling, softwood, INW

	Loader operation, large, INW
	Loader operation, large, NE-NC
	Piling, bole slash, in forest, steep slope forest, INW
	Piling, whole tree slash, at landing, gentle slope forest, INW
	Pulpwood, softwd, avg, state or private moist forest, at forest rd, INW
	Pulpwood, softwood, average, at forest road, INW
	Pulpwood, softwood, average, state or private dry forest, at forest road, INW
	Pulpwood, softwood, national forest, average, at forest road, INW
	Reforestation, average national softwood forest, INW
	Reforestation, average state or private dry softwood forest, INW
	Reforestation, average state or private moist cold softwood forest, INW
	Roundwood, softwd, state-private moist cold forest, gentle slope, at frst rd, INW
	Roundwood, softwd, state-private moist cold forest, steep slope, at forest rd, INW
	Roundwood, softwd, avg, state or private moist cold forest, at forest rd, INW
	Roundwood, softwd, avg, state or private moist cold forest, at forest rd, INW
	Roundwood, softwd, state or private dry forest, gentle slope, at forest rd, INW
	Roundwood, softwd, state or private dry forest, steep slope, at forest rd, INW
	Roundwood, softwood, average, at forest road, INW
	Roundwood, softwood, green, at logyard, INW
	Roundwood, softwood, green, at mill, INW
	Roundwood, softwood, national forest, average, at forest road, INW
	Roundwood, softwood, national forest, gentle slope, at forest road, INW
	Roundwood, softwood, national forest, steep slope, at forest road, INW
	Site preparation, national softwood forest, gentle slope, INW
	Site preparation, national softwood forest, steep slope, INW
	Site preparation, state or private dry softwood forest, gentle slope, INW
	Site preparation, state or private dry softwood forest, steep slope, INW
	Site preparation, state or private moist cold softwood forest, gentle slope, INW
	Site preparation, state or private moist cold softwood forest, steep slope, INW
	Skidding, aerial cable yarder, medium
	Skidding, wheeled skidder, 120-140 HP
	Bark, hardwood, average, at forest road, NE-NC
	Bark, softwood, average, at forest road, NE-NC
	Chainsawing, delimiting, NE-NC
	Chainsawing, hand felling, NE-NC
	Felling, feller buncher, > 200 HP, NE-NC
	Loader operation, large, NE-NC
	Pulpwood, hardwood, average, at forest road, NE-NC
	Pulpwood, softwood, average, at forest road, NE-NC
	Roundwood, hardwood, average, at forest road, NE-NC
	Roundwood, hardwood, average, High Intensity Management, NE-NC

	Roundwood, hardwood, average, Low Intensity Management, NE-NC
	Roundwood, hardwood, average, Med Intensity Management, NE-NC
	Roundwood, hardwood, green, at logyard, NE-NC
	Roundwood, hardwood, green, at mill, NE-NC
	Roundwood, softwood, average, at forest road, NE-NC
	Roundwood, softwood, average, High Intensity Management, NE-NC
	Roundwood, softwood, average, Low Intensity Management, NE-NC
	Roundwood, softwood, average, Med Intensity Management, NE-NC
	Roundwood, softwood, green, at logyard, NE-NC
	Roundwood, softwood, green, at mill, NE-NC
	Skidding, grapple skidder, >140 HP
	Skidding, wheeled cable skidder, 120-160 HP
Utilities	Wood, softwood, INW, generated at lumber mill, combusted in industrial boiler
	Electricity, onsite boiler, hardwood mill average, NE-NC
	Electricity, onsite boiler, softwood mill average, US NE-NC
	Wood, NE-NC hardwood, generated at lumber mill, combusted in industrial boiler
	Wood, NE-NC hardwood, purchased, combusted in industrial boiler
	Wood, NE-NC softwood, generated at lumber mill, combusted in industrial boiler
	Wood, NE-NC softwood, purchased, combusted in industrial boiler
	Wood, hardwood fuel, gen at flooring prod plant, combusted in industrial boiler
Wood Product Manufacturing	Sawn Lumber, softwood, planed, kiln dried, at planar mill, INW
	Sawn lumber, softwood, rough, green, at sawmill, INW
	Sawn lumber, softwood, rough, kiln dried, at kiln, INW
	Solid strip and plank flooring, hardwood, E
	Sawn lumber, hardwood, plane, kiln dried, at planar mill, NE-NC
	Sawn lumber, hardwood, rough, green, at sawmill, NE-NC
	Sawn lumber, hardwood, rough, kiln dried, at kiln, NE-N
	Sawn lumber, softwood, plane, kiln dried, at planar, NE-NC
	Sawn lumber, softwood, rough, green, at sawmill, NE-NC
	Sawn lumber, softwood, rough, kiln dried, at kiln, NE-NC
	Wood fuel, unspecified
Primary Metal Manufacturing	Zinc, sheet
	Zinc, special high grade
