

Updated Immunization Requirements SY 2012-2013

- Meningococcal Booster: The required minimum immunization for School Year (SY) 12/13 for students sixteen (16) years and older now includes the addition of a Meningococcal booster at age sixteen (16) years.
- Pneumococcal and Retrovirus: The minimum immunizations for SY 12/13 for students who are under the age of five (5) years are based on the age appropriate immunization schedule established by the Advisory Committee on Immunization Practices (ACIP) [<http://www.cdc.gov/vaccines/recs/schedules/downloads/child/0-6yrs-schedule-pr.pdf>] and now include Pneumococcal and Rotavirus.
- Influenza: Requirements for influenza vaccination are established by the local medical command.
- Tuberculin testing: Requirements for tuberculin testing are established by the local medical command.
