MEMORANDUM FOR TOM HUSTON

FROM: Al Haig  
SUBJECT: HARVAN Documents - 1968

Attached are the copies of all the telephone memcons between Ben Read and Harriman-Vance during the period 1 July to 15 October 1968.

I am again jogging CIA on Ky's activities.

With respect to the text of the Kosygin letter to President Johnson, dated October 25, 1968 and the memcon of the Rostow-Dobrynin meeting of the same date, we have never been able to uncover either of these documents and I suspect they went to Texas with the rest of the records. I will make a special request of State today to see whether or not they may have copies of these two pieces of correspondence.
