Notes:

- Aberrations, such as negative expenditure rates or those over 100%, usually result from error adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States's and Territories's ability to correct quarterly reports.

- Data come from WIA 9130 financial reports for the 12/31/11 reporting period accessed from E-Grants on 06/07/12.

Notes:

- Aberrations, such as negative expenditure rates or those over 100%, usually result from error adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States's and Territories's ability to correct quarterly reports.

- Data come from WIA 9130 financial reports for the 12/31/11 reporting period accessed from E-Grants on 06/07/12.

Notes:

- Aberrations, such as negative expenditure rates or those over 100%, usually result from erroror adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States's and Territories's ability to correct quarterly reports.
- Data come from WIA 9130 financial reports for the 12/31/11 reporting period accessed from E-Grants on 06/07/12.

Notes:

- Aberrations, such as negative expenditure rates or those over 100%, usually result from errors adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States's and Territories's ability to correct quarterly reports.
- Data come from WIA 9130 financial reports for the 12/31/11 reporting period accessed from E-Grants on 06/07/12.

Notes:

- Aberrations, such as negative expenditure rates or those over 100%, usually result from errors or adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States's and Territories's ability to correct quarterly reports.

- Data come from WIA 9130 financial reports for the 12/31/11 reporting period accessed from E-Grants on 06/07/12.
