

# US Army Counterinsurgency Center WEBCAST

## Revising FM3-24, Update and Issue Discussion

LTC John Paganini, Director of the US Army Counterinsurgency Center, will provide an update on the revision progress for FM 3-24 followed by a discussion of the **Clear-Hold-Build** approach and **Force Ratios**.

See Counterinsurgency Center FM3-24 Revision site for copies of issue papers [\(here\)](#).

This brief is Thursday, 16 February 2012 at 1000 CST (1100 EST, 15:00 ZULU)

Those interested in attending may view and participate in the meeting via Defense Connect Online (DCO), where they will be able to interact with the briefer. Visit <https://Connect.dco.dod.mil/coinweb>.

LTC John Paganini is an Infantry officer who has served in a variety of command and staff positions in Light Infantry, Air Assault, Airborne, Mechanized, and Ranger units. Prior to becoming the Director of the US Army COIN Center in August 2011, he commanded 1-71 Cavalry Regiment, 1st Brigade, 10th Mountain Division (Light), for 24 months, to include a 12-month deployment to Kandahar in Afghanistan.
