Re: Notice of Written Ex Parte Communication  
MB Docket No. 07-57

Dear Ms. Dortch:

On July 21, 2008, David J. Field, President and Chief Executive of Entercom Communications Corp. ("Entercom") had a telephone conversation with Commissioner Deborah Taylor Tate. Mr. Field again urged Commissioner Tate to vote against the XM-Sirius merger and reiterated the reasons previously discussed during their June 19, 2008 meeting (*See* Notice of Ex Parte Communication filed on behalf of Entercom dated June 20, 2008) and their July 15, 2008 telephone conversation (*See* Notice of Ex Parte Communication filed on behalf of Entercom dated July 16, 2008).

Mr. Field again argued that the problems associated with the XM-Sirius merger would not be solved by the approval of the merger with conditions. Even enhanced conditions, such as the inclusion of the AM/FM/HD receiver and prohibiting local content, while an improvement, would not remedy the policy flaws and harm caused by approval of the merger. Mr. Field then reviewed the details of various conditions that have been proposed in this proceeding.

In accordance with Section 1.1206 of the Commission's Rules, 47 C.F.R. §1.1206, one electronic copy of this letter is being filed in the above-referenced docket. Please direct any inquiries concerning this matter to the undersigned.

Respectfully submitted,

John C. Donlevie  
Executive Vice President & General Counsel  
Entercom Communications Corp.
