**FEDERAL TRADE COMMISSION**

**Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules**

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section

7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

[FMR Bulletin 2008-B1]

**Delegations of Lease Acquisition  
Authority—Notification, Usage, and  
Reporting Requirements for General  
Purpose, Categorical, and Special  
Purpose Space Delegations**

**AGENCY:** General Services  
Administration.

**ACTION:** Notice of bulletin.

**SUMMARY:** The Government  
Accountability Office and the General  
Services Administration Office of  
Inspector General have reported that  
some Federal agencies using the  
delegated leasing authority issued to  
Federal agencies on September 25, 1996,  
are not following properly the  
instructions specified as a condition for  
use of the leasing delegation. The  
attached bulletin re-emphasizes and  
updates the conditions, restrictions and  
reporting requirements specified in the  
delegation of authority and its  
supporting information. This bulletin is  
in keeping with the spirit of Executive  
Order 13327, “Federal Real Property  
Asset Management,” to maximize the  
increased governmentwide emphasis on  
real property inventory management.

**SUPPLEMENTARY INFORMATION:** FPMR D-  
239, published in the **Federal Register**  
on October 16, 1996, announced a new  
GSA leasing program called “Can’t Beat

GSA Leasing” and the delegation of  
lease acquisition authority issued by the  
Administrator of General Services to the  
heads of all Federal agencies in his  
letter of September 25, 1996. GSA  
Bulletin FPMR D-239, Supplement 1,  
published in the **Federal Register** on  
December 18, 1996, issued supporting  
information for the delegation. GSA  
Bulletin FMR 2005-B1, published in the  
**Federal Register** on May 25, 2005,  
revised and re-emphasized certain  
procedures associated with the  
delegation of General Purpose leasing  
authority.

There have been several instances  
reported of agencies failing to meet the  
conditions required for use of the lease  
delegation:

1. Several agencies have failed to  
notify GSA prior to conducting a  
specific leasing action;
2. Semi-annual performance reports  
on use of the lease delegation are not  
being submitted to GSA on a regular  
basis;
3. Some agencies have exceeded the  
authority of the delegation, which is
