## FEDERAL TRADE COMMISSION

### 16 CFR Part 23

### Extension of Time; Section 7 (Platinum) of the Guides for the Jewelry, Precious Metals and Pewter Industries

**AGENCY:** Federal Trade Commission.

**ACTION:** Extension of time for filing public comments.

**SUMMARY:** The Federal Trade Commission (the "Commission") requested public comments on May 30, 1996, on proposed revisions to 23.7 of the Guides for the Jewelry, Precious Metals and Pewter Industries ("the Guides"), 61 FR 27224. Section 23.7 of the Guides addresses claims made about platinum products. The Commission solicited comments until August 12, 1996. In response to a request from an industry group, the Commission grants an extension of the comment period.

**DATES:** Written comments will be accepted until September 30, 1996.

**ADDRESSES:** Comments should be directed to: Secretary, Federal Trade Commission, Room H-159, Sixth and Pennsylvania Ave., NW., Washington, DC 20580. Comments about these proposed changes to the Guides should be identified as "Guides for the Jewelry, Precious Metals and Pewter Industry—16 CFR Part 23—Comment."

**FOR FURTHER INFORMATION CONTACT:** Constance M. Vecellio or Laura J. DeMartino, Attorneys, Federal Trade Commission, Washington, DC 20580, (202) 326-2966 or (202) 326-3030.

**SUPPLEMENTARY INFORMATION:** On May 30, 1996, 61 FR 27178, the Commission announced revisions to its Guides for the Jewelry Industry, renamed Guides for the Jewelry, Precious Metals and Pewter Industries, 16 CFR Part 23.<sup>1</sup> The Guides for the Jewelry, Precious Metals and Pewter Industries ("the Guides") address claims made about precious metals, diamonds, gemstones and pearl products. The Commission did not revise section 23.7 of the Guides for the Jewelry Industry, which addresses claims made about platinum products. Industry members had indicated the need to simplify current Commission guidance regarding claims that a product is composed of platinum and to bring this guidance into closure accord

<sup>1</sup> The Commission published a Federal Register notice soliciting public comment on amendments to the Jewelry Guides, including revisions to section 23.7 regarding platinum products. 57 FR 24996 (June 12, 1992). This Federal Register notice was published in response to a petition proposing changes, submitted by the Jewelers Vigilance Committee ("JVC").

with international standards. The Commission concluded, however, that additional comment would be helpful to resolve certain issues. In a separate notice of May 30, 1996, 61 FR 27224, the Commission described the comments concerning the marking of platinum products, submitted in response to the prior FRN, and also discussed its proposed changes to this section. The Commission solicited comment on this provision of the Guides and the proposed changes, requesting comments until August 12, 1996.

On July 25, 1996, the Commission received a letter from the Manufacturing Jewelers and Silversmiths of America, Inc. (MJSA), an industry trade association, requesting that the comment period be extended for sixty days, until October 11, 1996.<sup>2</sup> MJSA stated that about eight interested platinum jewelry manufacturers met on July 21, 1996 but "those attending the meeting thought it would be helpful to survey a larger universe of platinum jewelry manufacturers than was present" at the meeting. Such a survey would require an extension of the comment period.

The Commission has determined that an extension of the comment period until September 30, 1996 is appropriate. Therefore, to allow all interested persons the opportunity to supply the Commission with written data, views and arguments concerning the Commission's review of section 23.7 of the Guides, the Commission grants an extension of the comment period to September 30, 1996.
