Docket No. 9315

**ORDER ON FIRST HEALTH'S MOTION FOR EXTENSION OF TIME
TO OPPOSE RESPONDENTS MOTION TO COMPEL**

On August 27, 2004, Respondents filed a motion to compel non-party First Health Group Corporation ("First Health") to produce documents requested by a subpoena *duces tecum* served on April 14, 2004. On September 9, 2004, First Health filed a motion seeking an extension until October 1, 2004 to oppose Respondents' motion. On September 10, 2004, Respondents filed an opposition to First Health's motion for extension of time arguing that the request would only further delay the proceedings which are set for trial beginning January 13, 2004.

Having considered the motions and the scheduling order in effect for this case, First Health's motion is **GRANTED IN PART AND DENIED IN PART**. First Health shall file their response, if any, to Respondents' motion to compel on or before September 27, 2004.
