**RESPONDENT’S UNOPPOSED MOTION FOR
EXTENSION OF TIME TO FILE PROPOSAL FOR INJUNCTIVE RELIEF**

Respondent Evanston Northwestern Healthcare Corporation (“ENH”) hereby moves the Commission to extend the time to file its detailed proposal for implementing injunctive relief from September 10, 2007 up to and including September 17, 2007. In support thereof, ENH states as follows:

1. In its Opinion and Order dated August 2, 2007, the Commission ordered ENH to submit a detailed proposal for implementing the injunctive relief ordered by the Commission on or before September 10, 2007.
2. ENH has consulted with Staff with respect to its request for an extension of time to submit its proposal. Staff represented that they do not oppose this Motion, provided however, that Staff will still be allowed thirty (30) days to respond, as previously Ordered. Staff does not oppose permitting ENH ten (10) days thereafter to reply, as previously Ordered.

3. ENH counsel has worked to receive input from numerous officers and employees of ENH to assist it in preparing its proposal as directed by the Commission. Given the uncertainty as to when the Commission would issue its Order, various persons whose input into the process is necessary have not been available throughout the period because of previously-scheduled summer travel. One additional week is requested to complete client input.
4. ENH has diligently responded to the Commission's Opinion and Order and makes this request in good faith and without intent to unreasonably delay proceedings.

WHEREFORE, Respondent respectfully requests that this Honorable Commission enter an order extending the time to file its detailed proposal for implementing injunctive relief as Ordered by the Commission from September 10, 2007, up to and including September 17, 2007.

DATED: September 10, 2007

Respectfully submitted:
