

NEW RESOURCES

Available to the Fort Detrick Community

The Post Library and the Army Community Service (ACS) Exceptional Family Member Program (EFMP) now have new books on such topics as autism, cancer, attention deficit hyperactivity disorder, Down's syndrome, and overall special needs. Some of the books are intended for children to understand the special need. Some are for adults. Feel free to come by the Post Library to borrow the books.

You do not have to be enrolled in the EFMP to borrow these books.

Post Library

1520 Freedman Drive, Room 143

Mon-Fri: 0930-1630

Closed on weekends & holidays

For more information, call **301-619-3385/2892**.
