Course Overview: The Healthcare Provider Course is designed to provide a wide variety of healthcare professionals the ability to recognize several life-threatening emergencies, provide CPR, use an AED, and relieve choking in a safe, timely and effective manner. The course is intended for certified or noncertified, licensed or non-licensed healthcare professionals. Attendees are required to successfully complete a written and skills exam. Course provides initial and renewal registration.

Target Audience: Military active duty or reserve personnel and DoD civilians healthcare providers, such as physicians, nurses, paramedics, emergency medical technicians, respiratory therapists, physical and occupational

therapists, physician's assistants, residents or fellows, or medical or nursing students in training, aides, medical or nursing assistants, police officers with first responder responsibilities, and other allied health personnel.

Course Manager: Tel. 301-619-3313, Fax 301-619-2884 or E-Mail: agustin.hernandez@amedd.army.mil

How to Nominate and Apply: Fax form SF 182 to ACES (301) 619-2884 or DSN 343-2884, mail request to Bldg. 1520, or email form to course manager by registration deadline. Do not attend unless you have received confirmation from the course manager. Although we try to accommodate all training needs, faxing a nomination to us does not guarantee a space allocation. Check with Course Manager if you have not received confirmation at least 1 week prior to the class starting date.

NOTES: Individuals who require special services or accommodations due to a disability (wheelchair access, interpreter, etc.) should advise this office immediately upon acceptance to the course.
