Course Overview: The Combat Lifesaver Certification Course is designed to train non-medical soldiers to provide emergency medical care as a secondary mission. The course is demanding and ensures a thorough understanding of all aspects of the Tactical Combat Casualty Care principles. Course covers TC3 guidelines for casualty evaluation, initiating a field medical card and DA Form 7656, requesting medical evacuation, opening and managing an airway, inserting a nasal pharyngeal airway, treating an open chest wound, performing needle thoracentesis, casualty movement, evacuating a casualty using a SKED, Talon, or improvised litter, and preventing hypothermia by packaging casualties before evacuation. Attendees are required to successfully complete a written exam and multiple skills tests. Course final written examination requires a minimum

passing score of 70%. Initial certification is valid for 12 months after completion of course.

Target Audience: The CLS Course is for all active and reserve non-medical military personnel and DOD civilians who will deploy to the SWA area of operations or for any active and reserve non-medical military personnel requiring training based on their Commander's Training Guidance.

Course Manager: Tel. 301-619-3313, Fax 301-619-2884 or E-Mail: agustin.hernandez@amedd.army.mil

How to Nominate and Apply: Fax form SF 182 to ACES (301) 619-2884 or DSN 343-2884, mail form to Bldg. 1520, or email to course manager by registration deadline. Do not attend unless you have received confirmation from the course manager. Although we try to accommodate all training needs, faxing a nomination to us does not guarantee a space allocation. Check with Course Manager if you have not received confirmation at least 1 week prior to the class starting date.

NOTES: Individuals who require special services or accommodations due to a disability (wheelchair access, interpreter) should advise this office immediately upon acceptance to the course.
