Introduction

This directory was prepared by the Family and Corrections Network to update the Directory of Programs Serving Families of Adult Offenders, October 1992. This revised directory lists programs in the United States and Canada offering services specifically for families of adult offenders. Entries were identified by sending survey forms to directors of departments of corrections in the United States and Canada, to programs listed in the 1992 directory, and to other programs known to the Family and Corrections Network.

Questions about the preparation of this Directory should be addressed to Jim Mustin, 32 Oak Grove Road, Palmyra, VA 22963.
