Questions and Answers

Where is the Wildlife Drive? The Pintail Wildlife Drive is located approximately two miles south of the Office/Visitor Center on the east side of LA Highway 27, the Creole Nature Trail All American Road. A refuge map can be found in the refuge general brochure.

Do you have any hiking trails? There are not any designated hiking trails developed on the refuge, but you are welcome to walk along the refuge levees as long as you park in the designated parking areas. A refuge map can be found in the refuge general brochure.

U.S. Fish & Wildlife Service

Where can we go fishing?
Approximately two miles south of the Office/Visitor Center on the west side of LA Highway 27, the Creole Nature Trail All American Road, the Bankfishing Road is open for fishing. The refuge Outfall Canal is also available. It is accessible only by boat through the North Canal from the Gibbstown Bridge boat launch on the Intracoastal Waterway. These fishing areas are open from March 15 through October 15, sunrise to sunset. A refuge map can be found in the refuge general brochure.

Is the refuge open for hunting? Yes, during the month of October the refuge is open for archery deer hunting. The refuge has lottery youth waterfowl hunting from November-January. Snipe hunting occurs from January-February. A refuge general brochure and refuge hunting permit can be obtained at the Office and Visitor Center.

Are there camping areas on the refuge?

No. The refuge office does have

No. The refuge office does have listings of camping sites located within an hour's driving distance of the refuge.
