Delivery data excludes acre-feet deliveries for all types of 215 water, spill water, well water, water rights-storage, and warren act as these categories of water are not considered contracted deliveries.

Data Sources: Allocation amounts - CVO; Contract Max and Refuge deliveries - MP 400; Delivery amounts - BORWorks (MP-3400)

Footnotes

1- Delivery data to refuges are direct deliveries from Reclamation. Refuge deliveries accomplished through transfers or substitutions are included in delivery amounts of contractor that made the transfer.

* Estimated, quantity not finalized.

** Allocations updated as of last update.
