CENTRAL REGION – AIRPORTS DIVISION – ACE600

CENTRAL REGION - AIRPORTS DIVISION

Office of the Manager, ACE-600, Jim Johnson, Division Manager (816) 329-2600

- Overall administration of the Airport Improvement Program (AIP)
- Coordination with FAA Headquarters
- Passenger Facility Charge (PFC) program
- Sponsor compliance with federal obligations (including conformance of leases, agreements and land sales), the surplus property program

Regional Support, ACE601, Rodney N. Joel, Deputy Division Manager, (816) 329-2631

- Provide regional support functions to supplement the Planning and Engineering role
- Provide guidance and oversight for land acquisition
- Provide guidance and oversight of airfield pavement construction and maintenance
- Administers the State Block Grant Program for the state of Missouri
- Administers the airport certification program for commercial service airports
- Responsible for the region's on-airport obstruction analyses and evaluations
- Responsible for the environmental program
- Fiscal control of the region's Airport Improvement Program

Planning and Engineering, ACE-603, Mike Scott, Manager (816) 329-2647

- Responsible for processing requests for assistance under our airport development programs and formulating an annual assistance program.

Airport Planners, Mark H. Schenkelberg, Team Lead, (816) 329-2645

- Airport planners develop the regional component of the National Plan of Integrated Airports System (NPIAS), which is utilized as the basic planning document to support the federal assistance programs. Planners provide planning guidance and advisory services for all airport-planning efforts (master plans, airport layout plans, system plans, etc.) and develop the region's Airports Improvement Program (AIP) recommendations.

Airport Engineers, Wayne E. Halter, Team Lead (816) 329-2623

- Airport engineers administer AIP development grants. AIP grant administration includes notification and coordination of grant provisions with the Sponsor, oversight of A/E contracting, pre-design meetings, concurrence in pavement design, plans and specifications review, concurrence in awards and notices to proceed, pre-construction conferences, periodic construction inspections, final inspections, payments and project closeouts. Oversee and advises on wildlife issues
