ISM Advice

1. Need stronger basis for the advice – what is the problem in the execution of ISM? (*DOE comment*)
2. DOE needs to be more engaged – make sure programs implemented effectively... in workforce/workplace behavior (*HSEP Committee comment*)
3. Need better I.D. of the (global?, isolated?) problem and articulation of what HAB wants DOE to do (*DOE comment*)

Follow-Up

1. Best practices discussion: RL/ORP – safety culture
2. CAS program – Broader look - Future discussion
