

RAP Meeting Transcribed Flipcharts
August 9, 2012

Follow Up

1. Check with PIC & RAP re: 100 K schedule for public comment & release of docs (Sept)
2. Susan L. & Maynard to complete draft letter for HAB #242 – Susan H. to distribute to committee
3. Susan H. to distribute draft 200-UP-1 letter to committee for consensus. The committee will convene a call to discuss, if necessary. (also send link to 200-UP-1 document)

4. Create an “event driven” timeline/strategy for period (if any) between TC&WM FEIS and decision. Evaluate to compare with HAB Advice #256.
5. Provide update on DVZ technologies and strategies at future RAP meeting
6. Provide J.D.’s one pager regarding the IPL at the September Board meeting
7. Discussion of potential lead casing of subs (Trench 94) → model for potential contamination?
