

## ANNEX VI

<b>Pedigree and zootechnical certificate for the importation of embryos of pure-bred breeding animals of the bovine species, breeding animals of the porcine species, pure-bred breeding sheep and goats and of registered equidae</b>		
<i>A. Particulars of donor male</i>		
1. Species (bovine, porcine, ovine, caprine equine) <sup>(1)</sup>	2. Breed/genetic type	
3. Issuing body	4. Name and address of the authority maintaining the herdbook or register in the third country of origin	
5. Name and address of the breeder		
6. Name (optional)	7. Original entry No	
8. Date of birth	9. Blood group <sup>(2)</sup>	
10. Pedigree <sup>(3)</sup>		
Sire Original herd-book No	Grandsire <sup>(4)</sup> Original herd-book No	
	Granddam <sup>(4)</sup> Original herd-book No	
Dam Original herd-book No	Grandsire Original herd-book No	
	Granddam <sup>(4)</sup> Original herd-book No	
11. All available results of performance tests and up-to-date results of the genetic evaluation with name of the body which assessed the genetic value, on the animal itself and its parents and grandparents <sup>(3)</sup> <sup>(5)</sup>		
<i>Validity</i>		
12. Date and place	13. NAME IN CAPITAL LETTERS AND TITLE OF SIGNATORY	14. Signature

B. <i>Particulars of donor female</i>		
1. Species (bovine, porcine, ovine, caprine equine) <sup>(1)</sup>	2. Breed/genetic type	
3. Issuing body	4. Name and address of the authority maintaining the herdbook or register in the third country of origin	
5. Name and address of the breeder		
6. Name (optional)	7. Original entry No	
8. Date of birth	9. Blood group <sup>(2)</sup>	
10. Pedigree <sup>(3)</sup>		
Sire Original herd-book No	Grandsire <sup>(4)</sup> Original herd-book No	
	Granddam <sup>(4)</sup> Original herd-book No	
Dam Original herd-book No	Grandsire Original herd-book No	
	Granddam <sup>(4)</sup> Original herd-book No	
11. All available results of performance tests and up-to-date results of the genetic evaluation with name of the body which assessed the genetic value, on the animal itself and its parents and grandparents <sup>(3)</sup> <sup>(5)</sup>		
<i>Validity</i>		
12. Date and place	13. NAME IN CAPITAL LETTERS AND TITLE OF SIGNATORY	14. Signature

C. <i>Particulars of embryos</i>		
1. Embryo identification system (colour, number, etc.)		2. Identification of the container
3. Origin of the embryo(s) (address of embryo collection team)		4. Destination of embryo(s) (name and address of consignee)
Identification of straw(s)	Number of embryos per straw	Date of collection
<i>Validity</i>		
5. Date and place	6. NAME IN CAPITAL LETTERS AND TITLE OF SIGNATORY	7. Signature
<p>(<sup>1</sup>) Delete as appropriate.  (<sup>2</sup>) Or other appropriate method approved in accordance with Community legislation, only necessary for cattle, equidae, sheep and goats.  (<sup>3</sup>) Not necessary for hybrid pigs.  (<sup>4</sup>) Not necessary for registered equidae.  (<sup>5</sup>) If necessary use additional paper.</p>
