#### SUPPLEMENTARY INFORMATION:

**Background:** The purpose of this study is to quantify and assess consumer awareness of the Household Goods (HHG) Consumer Information Program. The study will determine the interstate moving public's recognition or knowledge of the Program's activities or messages, such as the "Protect Your Move" campaign. The data will be collected through a telephone survey. Results of the study will not be published, but used for internal research purposes by FMCSA in developing future HHG campaign materials, identifying target audiences, and determining distribution strategies to provide better consumer information to the public. It will also serve as a baseline for future program evaluations or assessments. A follow-up telephone survey will be conducted two years after the initial data collection and compared against the results from the baseline assessment.

**Title:** Household Goods Consumer Information Program Assessment Study.

**OMB Control Number:** 2126-xxxx.

**Type of Request:** New collection.

**Respondents:** Public/consumers who have moved household goods from one State to a different State throughout the U.S. (Interstate Household Goods Shippers).

**Estimated Number of Respondents:** 1,500.

**Estimated Time per Response:** The estimated average burden per response is 15 minutes.

**Expiration Date:** N/A.

**Frequency of Response:** This information collection will occur twice within the effective period of the OMB clearance; once in the current year and once again two years following the initial data collection.

**Estimated Total Annual Burden:** 375 [1,500 respondents × 15 minutes/60 minutes per response = 375].

**Public Comments Invited:** Interested parties are invited to send comments regarding any aspect of this information collection, including but not limited to: (1) Whether the proposed collection is necessary for the performance of FMCSA's functions; (2) the accuracy of the estimated burden; (3) ways for FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information. Comments submitted in response to this notice will be summarized and/or included in the request for OMB's clearance for this information collection.
