RE: The discontinuation of SecreFlo® (Porcine Secretin for injection) 16 mcg

Dear Healthcare Professional,

ChiRhoClin, Inc. is discontinuing the manufacturing of SecreFlo® (Porcine Secretin for Injection) 16 mcg NDC# 67066-006-01. The entire stock of this product will be exhausted at the end of September 2008. This action is not a result of safety or efficacy issues regarding this product. ChiRhoClin currently markets an alternative product, Human Secretin, under the trade name ChiRhoStim® (Human Secretin for Injection) 16 mcg.

ChiRhoClin, Inc. maintains a large supply of ChiRhoStim® (Human Secretin for injection) NDC# 67066-005-01 which is currently available to meet total US medical demand for secretin products. ChiRhoStim® (Human Secretin for injection) is the only pharmaceutical alternative and is clinically and dose equivalent for all indications to our SecreFlo® (Porcine Secretin for injection) product. ChiRhoStim® has been FDA approved and marketed commercially since 2004. It is reimbursable utilizing J-code 2850 and has many CPT codes associated with its use.

ChiRhoStim® (Human Secretin for Injection):

- Shelf-life is two years when stored in freezer and can be stored up to six months at room temperature.
- Is a pure synthetic peptide not manufactured by a recombinant process.
- Is identical to naturally occurring human secretin, and should present a low risk of allergic reaction.

ChiRhoStim® FDA approved indications are:

1. Stimulation of pancreatic secretions, including bicarbonate to aid in the diagnosis of exocrine pancreas dysfunction.
2. Stimulation of gastrin secretion to aid in the diagnosis of gastrinoma.
3. Stimulation of pancreatic secretions to facilitate the identification of the ampulla of Vater and accessory papilla during Endoscopic Retrograde Cholangiopancreatography (ERCP).

ChiRhoClin, Inc. is committed to providing you with the most current up-to-date information about Secretin products. If you have any questions, please call 1-877-272-4888 or visit our website www.ChiRhoStim.com, which contains journal articles, package insert, and the pharmacy formulary kit.

Sincerely,
