

**IMPORTANT INSULIN DELIVERY DEVICE INFORMATION:  
DISCONTINUATION OF SEVERAL INSULIN DELIVERY DEVICES.**

**July 2009**

Dear Healthcare Provider:

We would like to inform you that after careful consideration, Novo Nordisk Inc. is discontinuing several insulin delivery devices. These devices include **Novolin® InnoLet®** disposable insulin pens and **Novolin® PenFill®** 3mL insulin cartridges. After this discontinuation, pharmacies may continue to stock **Novolin® InnoLet®** disposable insulin pens and **Novolin® PenFill®** 3mL insulin cartridges, but they will not receive any new inventory. Final date of sale of the products is December 31, 2009. Please discuss this information with your patients who are currently using the following specific products:

- **Novolin® R InnoLet®** (Regular, Human Insulin Injection [recombinant DNA origin] USP in a 3 mL disposable prefilled insulin syringe)
- **Novolin® N InnoLet®** (NPH, Human Insulin Isophane Suspension [recombinant DNA origin] in a 3 mL disposable prefilled insulin syringe)
- **Novolin® 70/30 InnoLet®** (70% NPH, Human Insulin Isophane Suspension and 30% Regular, Human Insulin Injection [recombinant DNA origin] in a 3 mL disposable prefilled insulin syringe)
- **Novolin® R PenFill®** 3 mL cartridges (Regular, Human Insulin Injection [recombinant DNA origin] USP)
- **Novolin® N PenFill®** 3 mL cartridges (NPH, Human Insulin Isophane Suspension [recombinant DNA origin])
- **Novolin® 70/30 PenFill®** 3 mL cartridges (70% NPH, Human Insulin Isophane Suspension and 30% Regular, Human Insulin Injection [recombinant DNA origin])

Novo Nordisk Inc. is informing all healthcare professionals and pharmacies of this action. We are also encouraging patients to speak with you about other insulin delivery options.

**What alternative insulin delivery system can I prescribe to appropriate patients?**

If you have any questions about the discontinuation of these products or alternate Novo Nordisk treatment options, please call **1-800-727-6500**.

Sincerely,

Henrik S. Rasmussen, MD, PhD  
Vice President
