Subject: 27th Annual Great Lakes Region Airports Conference Awards

During the 27th Annual Great Lakes Region Airports Conference in November 2011, the Federal Aviation Administration (FAA) recognized two entities for Airport Safety Awards and one individual for a Partnership Award. Each of these are to be congratulated for their significant contributions to safety, as well as for partnering with FAA and other industry stakeholders to bring enhanced safety to airports regionally, nationally, and worldwide.

FAA was grateful to present Airport Safety Awards to Fort Wayne International Airport (FWA) and Rapid City Regional Airport (RAP) for their noteworthy safety enhancements leading to improved safety for all aeronautical users of their respective airports, in addition to several other notable individual achievements.

Fort Wayne International Airport

Rapid City Regional Airport

Furthermore, FAA was honored to present a Partnership Award to Mr. John Ostrom of Minneapolis-St. Paul International Airport (MSP). Mr. Ostrom is considered a national expert on wildlife hazard management at airports and has been an important resource both at MSP for improving safety, as well as to a multitude of other Great Lakes Region airports.

Mr. John Ostrom
