# Coast Guard Federal On-Scene Coordinator Representative Training

Hosted By: Atlantic Strike Team, National Strike Force

#### **Marine Environmental Response Training:**

Are you looking to complete your Federal On-Scene Coordinator Representative (FOSCR) qualification? Do you need additional assistance on some critical factors? Are you a shop supervisor looking for an opportunity to provide both junior and senior members with quality FOSCR training?! Look no further! Federal MER experts from the National Strike Force, National Pollution Fund Center, District Response Advisory Teams and experienced CG members will teach junior members the fundamentals and provide experienced members a great opportunity to refresh and flex their MER skills.

**What:** CG FOSC-R Training
