ENGLISH AS A SECOND LANGUAGE

Free Online Language Course for JLab Community.

JSA currently offers a free online Language Training Course to its community.

Whether you need some useful phrases for travel to a foreign country, want to enhance your mastery of English if it is not your primary language, or actually plan to learn a new language, you can do it with Mango Language. If you have any questions, contact Bruce Ullman at x7170.

English is an exceptionally important language for commerce, education, and culture the world over. Spoken by almost two billion people and in most countries, it can be a bridge to fun, excitement, and adventure.

The J-1 Exchange Visitor Program requires that participants must possess sufficient proficiency in the English language to participate in the program. Program sponsors are required to ensure that the participants are sufficiently proficient in the English language to participate in the Exchange Visitor Program before they enter the United States.

Your new skills in English can help you throughout every aspect of your life. You'll create a wide variety of new possibilities for your career, education and global friendships.

- Basic

  Mango Basic teaches simple, practical skills for common, polite conversation situations in only a few short hours.

- Complete 2.0

  Mango Complete 2.0 teaches in-depth and comprehensive language and grammar skills.

Mango Language Courses can be accessed on or off site at the following url with a JLab computer account and email address:
