Sec. Solis on June 2009 employment numbers	http://www.dol.gov/opa/media/pre ss/opa/opa20090783.htm	Press Release	illustrate the pressing needs of American working families." She added that as the administration's policies take hold, there are signs that the economy is gaining strength, and consumer confidence is rising, and the housing and financial	"When this administration took office, the economy was shedding jobs at a rate of 700,000 per month. This past June our economy lost 467,000 jobs, bringing the total number of jobs lost since this recession began to 6.5 million. The overall unemployment rate increased to 9.5 percent. "As the administration's policies take hold, there are signs that the economy is gaining strength. Consumer confidence is rising, and the housing and financial markets are stabilizing. "Through our urgent efforts we are helping millions of Americ		jobs;economy;incentive;unemploym ent;workers;grants;
