DOL grants \$336,000 to lowa Donnelley workers	http://www.dol.gov/opa/media/press/eta/eta20090858.htm	Press Release	affected by the closure of Atwood Mobile Products in West Union, Iowa. Today's grant will be awarded to Iowa Workforce Development and will be operated by the Upper Explorerland Regional Planning Commission. This grant will provide these workers with access to	better known as the Recovery Act, is designed to help workers who — through no fault of their own — end up without a job or a paycheck," Secretary Solis explained. "We want to assist them through these tough times and help them to find new jobs moving forward.  "The northeastern region of lowa has been deeply impacted by layoffs and plant closures. This grant will allow affected lowans to access additional education and training to help them gain re-employment as quickly as possible."  Today's grant will be awarded to lowa Workforce Development and will be operated by the Upper Explorerland Regional Planning Commission, an organization that promotes regional cooperation and works to meet the planning and economic development needs of local governments in northeast lowa.		grants;lowa;training;recovery;workers;Atwood;
