## Financial and Activity Report (sheet 2 of 2)

### Major Completed Actions (Short bulleted list of the major actions taken to date.)

#### Employment and Training Administration (ETA)

ETA continues to monitor Congressional activities related to possible extensions of Emergency Unemployment Compensation (EUC). The EUC program is currently scheduled to end on February 28, 2010.

States that linked the expiration of their Extended Benefit (EB) Total Unemployment Rate (TUR) trigger to the termination of 100% federal sharing for EB have had their triggers end and may soon cease to be in an EB period.

ETA continues to make determinations for petitions submitted since the 2009 Trade Adjustment Assistance (TAA) amendments mandated in the Recovery Act took effect on May 18, 2009. As of February 19, 2010, 2,502 determinations have been made on cases received under the 2009 Amendments.

On February 22, 2010, the Department of Labor announced a \$7,543,200 grant with up to \$2,159,512 released initially to assist about 1,120 workers affected by layoffs from multiple companies in the aviation, construction, health care, manufacturing and retail industries in south central Kansas. The majority of the layoffs were from four companies in the area's aviation manufacturing industry: Boeing, Bombardier Aerospace, Cessna and Hawker Beechcraft Corp. The grant was awarded to the Workforce Alliance of South Central Kansas. If pending Trade Adjustment Assistance (TAA) petitions for a number of these workers are also approved, the grant will provide these dislocated workers with access to "wrap-around" and supportive services, such as dependent care and transportation assistance, not available through the TAA program. If the TAA petitions are denied, the workers still will have access to the full array of training and employment-related services under this grant.

**Major Planned Actions (Short bulleted list of the major planned actions)**

Absent additional state or Federal enactments, the following states will have their EB periods conclude on February 27, 2010: Alabama, Colorado, Delaware, Indiana, South Carolina, Tennessee, Texas, and West Virginia. Idaho and Pennsylvania have also had their TUR triggers sunset but they currently meet the Insured Unemployment Rate (IUR) trigger criteria to remain “on” in the EB program; their EB periods will continue until they fail to meet the criteria to be triggered “on.”

Similarly, the following states will have their EB periods conclude on March 6, 2010: Arizona, the District of Columbia, Georgia, Illinois, Kentucky, Maine, New York, Ohio, and Virginia. California, Nevada, and Wisconsin will also have their TUR triggers sunset on March 6, but they currently meet the IUR trigger criteria to remain “on” in the EB program; their EB period will continue until they fail to meet the criteria to be triggered “on.”

The Government Accountability Office (GAO) is expected to release its latest bimonthly report for its ongoing primary Recovery Act study, *The American Recovery and Reinvestment Act Mandate*, on or about February 24, 2010. This report will provide an update on youth activities described in GAO’s September 2009 report and will also serve as the “capping report” for the one-year anniversary of the enactment of the Recovery Act. GAO is not expected to issue any new recommendations.

The January 2010 participant report in Recovery Act-funded programs will be available for publication on or by March 5, 2010.

As part of an ongoing effort to increase state participation in the Recovery Act-funded Unemployment Insurance (UI) Modernization, ETA staff will hold a peer-to-peer webinar on March 10, 2010. States that amended their laws to receive their full UI Modernization incentive payments can share their experiences and give advice to states contemplating legislative changes. Previously (January 29, 2010), ETA issued Training and Employment Notice No. 27-09, *Continued Availability of UC (Unemployment Compensation) Modernization Incentive Payments* to encourage states to apply for UI Modernization incentive payments. The Recovery Act made a total of \$7 billion available in UI Modernization incentive payments to states that include certain eligibility provisions in their state UI programs. Of the \$7 billion made available to states for UI Modernization by the Recovery Act, ETA has distributed \$2.8 billion to 32 states.

• ETA continues to finalize the release of Recovery Act-related advisories: Training and Employment Notice (TEN) on intent to change reporting requirements for the Workforce Investment Act Standardized Record Data; and Training and Employment Guidance Letter (TEGL) on the use of Health Coverage Tax Credit (HCTC) funds made available by the Recovery Act.
