1	<b>Employment and Training Administration (ETA)</b>	
2	ETA staff participated in Extended Benefits reviews in Florida during the week of June 28.	ETA National Office staff members are finalizing a national On-the-Job Training (OJT) National Emergency Grant (NEG) Webinar for new grantees scheduled for July 8, 2010. They will also conduct an internal Webinar for Federal Project Officers on July 1, 2010.
3	On June 29, 2010, ETA hosted a webinar to provide an overview for the Recovery Act-funded High Growth and Emerging Industries (HGEI) grantees. Participants in this Webinar learned the key elements of today's Registered Apprenticeship system and how Registered Apprenticeship can partner with HGEI grantees to develop programs that are responsive to the needs of both workers and employers and lead to portable industry credentials.	The Philadelphia Regional Office has been working with the Commonwealth of Pennsylvania to replicate a successful all-state grantee roundtable hosted in Philadelphia at the Recovery Act Mid Year Review. The Commonwealth is inviting all USDOL discretionary grantees in the State, and all State-funded discretionary grantees to discuss coordination of services with the workforce system formula programs. The meeting will take place on July 20, 2010.
4	The Emergency Unemployment Compensation (EUC) program, the Federal Additional Compensation (FAC) program, and Extended Benefits (EB) provisions began to phase out on June 2, 2010, under the Continuing Extension Act of 2010. ETA continues to monitor Congressional activities related to EUC extensions.	On June 30, 2010, The Department of Labor announced a \$906,538 grant to assist about 400 dislocated workers who either are currently receiving intensive services and training from the state of New York or are on waiting lists for services and training due to funding shortages. Awarded to the New York State Department of Labor, this grant will be operated by 10 local workforce investment boards in the state. This grant will provide the state with additional funding to provide workers with access to dislocated worker services, such as skills assessment, basic skills training, individual career counseling and occupational skills training. This grant will be funded by resources made available for National Emergency Grants under the American Recovery and Reinvestment Act of 2009.
5	ETA staff provided technical assistance to Congressional and National Association of State Workforce Agencies (NASWA) staff on the implications of FAC expiring. Staff began drafting an Unemployment Insurance Program Letter (UIPL) for guidance to the states in the event that the FAC program is not extended.	On June 30, 2010, the Department of Labor announced a \$2.2 million National Emergency Grant supplemental award to provide an estimated 2,400 unemployed individuals in North Carolina with partial premium payments for health insurance coverage. The supplemental funds, awarded to the North Carolina Department of Commerce, Division of Employment and Training, will allow North Carolina to make "gap filler" payments for unemployed individuals who are receiving Trade Adjustment Assistance benefits and are eligible for the HCTC program. Under this program, eligible individuals can receive assistance with 80 percent of premium costs for qualified health insurance programs. This grant will be funded by resources made available for National Emergency Grants under the American Recovery and Reinvestment Act of 2009.
6	Since the EUC law expired on June 2, 2010, the last date eligibility could be established for new participants was May 23, 2010. Under the phase-out provisions, claimants may receive their remaining entitlement for the EUC tier in which they are collecting, but they may not advance to the next tier.	
7	Federal law currently provides for 100% Federal sharing for benefit costs under the Federal-State EB program for weeks of unemployment beginning before June 2, 2010. As a result, states that have linked the expiration of their EB Total Unemployment Rate (TUR) trigger to the termination of 100% Federal sharing for EB are ceasing to be in an EB period.	
8	On June 18, the Bureau of Labor Statistics released new state TURs, resulting in the following:  <ul style="list-style-type: none"> <li>• Vermont has triggered "off" EB. Vermont's 3-month average seasonally-adjusted TUR has decreased to 6.4%, which is below the 6.5% threshold to remain "on." Its EB period will end the week ending July 10. An extension of Federal enactments will have no effect on Vermont's EB status.</li> <li>• Colorado has met the TUR criteria to be in a High Unemployment Period in the EB program. However, Colorado is currently "off" EB because its TUR trigger is tied to the termination of 100% Federal sharing. Should additional state or Federal enactments create a retroactive coverage period, Colorado would remain in an EB period and would begin a mandatory 13-week High Unemployment Period, beginning July 4.</li> </ul>	
9	Absent additional state or Federal enactments, the following changes will take place: <ul style="list-style-type: none"> <li>• Massachusetts' TUR trigger expired on May 29 and its EB payable period concluded on June 26, 2010.</li> <li>• Michigan's TUR trigger expired on June 5 and its EB payable period will conclude on July 3, 2010.</li> </ul>	
10	The Recovery Act provided for a special distribution of \$7 billion in Unemployment Insurance (UI) Modernization incentive payments to states. <ul style="list-style-type: none"> <li>• An application is pending for Nebraska for its full share of incentive payments.</li> </ul> <ul style="list-style-type: none"> <li>• ETA expects to receive applications for full (100%) incentive payments from North Carolina and South Carolina. South Carolina recently enacted legislation that includes provisions related to the requirements for receiving 100% of UI Modernization incentive payments.</li> </ul>	
11	ETA continues to make determinations for petitions submitted since the 2009 Trade Adjustment Assistance amendments mandated in the Recovery Act which took effect on May 18, 2009. As of June 25, 2010, 4,129 determinations have been made on cases received under the 2009 Amendments.	
12	The fourth round of Recovery Act Section 1512 Recipient Reporting will begin on July 1, 2010, for the period April 1, 2010 through June 30, 2010. National and Regional Offices are providing technical assistance to grantees that will report on the FederalReporting.gov web site portal through July 10, 2010 and working closely with grantees to ensure that guidance issued by the Office of Management and Budget is correctly implemented. ETA staff will conduct quality reviews before performance data is made public on July 30, 2010.	
13	The final round of \$125 million in Community-Based Job Training grants was announced June 29, 2010. Community-Based Job Training Grants improve the ability of community colleges to train and prepare workers for employment in high growth and other emerging industries. This last round of competitive awards focused primarily on providing services to workers who are unemployed (including the long-term unemployed, such as individuals who have been unemployed for six months or more), dislocated and incumbent. The 41 grants awarded will support projects in 26 states: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Florida, Georgia, Illinois, Indiana, Kansas, Maryland, Minnesota, Mississippi, Missouri, Montana, New York, Ohio, Oregon, Pennsylvania, Rhode Island, Tennessee, Texas, Utah, Virginia and Washington. (Note: Community-Based Job Training Grants are not funded through the Recovery Act)
