

A Glimpse at STEM Night at AMS!

May 2, 2012

Sharing Products of Classroom
Challenges, Families Doing STEM
Together, and Sharing Math
Opportunities

Collaboration in Action!

STEM is a family event!

The duct tape boat engineering design challenge crew!

Well miss, I designed my boat.....

I didn't know building with food cans and boxes could be so much fun!

Parents learning more about the AMS
math programs!
