

# PS Tech Spaces:

## Electro-Mechanical Assembly Only

Total liquid reagent quantities limited to 5L; Individual container quantities limited to 500 ml

- No Corrosives, Carcinogens, Reactive Chemicals, Reproductive Hazards or Highly Acute Toxins allowed
- Safety Glasses with side shields or goggles must be worn when using chemicals
- Fully enclosed shoes and long pants are required for entry.

Lead soldering should be performed in delineated areas to avoid cross contamination and spent solder should be collected and recycled. Solder areas should be cleaned periodically (lead wipes area available in the stock room).

When using knives/razor blades:

- Be aware of hand positioning
- Use safety knife when possible
- Consider using cut resistant gloves for frequent cutting tasks

Be sure to follow/maintain [good housekeeping rules](#).
