About MedlinePlus

MedlinePlus is a free, reliable source of good health information from the world's largest medical library, the National Library of Medicine (NLM). Health professionals and consumers alike can depend on it for authoritative and up-to-date information in English, Spanish, and many other languages. MedlinePlus has extensive information from the National Institutes of Health (NIH) and other trusted sources. There is no advertising on the site, nor does MedlinePlus endorse any company or product.

Need Help?

Librarians find health information for patients and professionals. To identify a local library, visit <http://nmlm.gov/members/>. The National Network of Libraries of Medicine (NN/LM), an outreach program of NLM, provides assistance and training nationwide. Contact the NN/LM at 800-338-7657 or visit our web site at: <http://nmlm.gov/>.

Funded under contract No. HHS-N-276-2011-00009-C with UCLA and awarded by the DHHS, NIH, National Library of Medicine. This resource is freely available at: <http://nmlm.gov/training/resources/mptri.pdf>.
