Dear Secretary LaHood:

On April 22, 2009, your department issued updated guidance regarding the State maintenance of effort certification required under Section 1201 of the American Recovery and Reinvestment Act of 2009. In relation to this updated guidance, your Department set a new due date for submittal of the Section 1201 Maintenance of Effort Certification of May 22, 2009. I have reviewed the Section 1201 Maintenance of Effort Certification I submitted on March 13, 2009 in light of the April 22, 2009 guidance and am resubmitting it based on that new guidance.

Pursuant to Title XII, section 1201 of the American Recovery and Reinvestment Act (PL 111-5 (February 17, 2009)) ("ARRA"), I, Jim Doyle, Governor of the State of Wisconsin, hereby certify to the Secretary of Transportation that the State of Wisconsin will maintain its effort with regard to State funding for the types of projects in DOT "covered programs" funded under the ARRA. The enclosed list of DOT "covered programs" identifies the amount of funds the State plans to expend from State sources from February 17, 2009 to September 30, 2010, for the types of projects under the DOT "covered programs" funded under the ARRA.

I understand that if the State of Wisconsin is unable to maintain the level of funding identified in this list of the types of projects under the DOT "covered programs" funded under the ARRA, the State of Wisconsin will thereafter be prohibited by the Secretary of Transportation from receiving additional limitation on obligations for Federal-aid highway and highway safety construction programs that occurs after August 1 for fiscal year 2011.

Sincerely,

Jim Doyle
Governor
