REVISED/ADDITIONS

CERTIFICATION UNDER SECTION 1511 OF THE AMERICAN RECOVERY AND REINVESTMENT ACT

September 14, 2009

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17, 2009)) ("ARRA"), I, Amadeo Saenz, hereby certify that the infrastructure investments funded with amounts appropriated by ARRA under the headings: "Highway Infrastructure Investment" to the Federal Highway Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars.

I further certify that the specific information required by section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided on the attached list.

The attached 1511 adds 39 projects to our previous submissions. 14 of these projects are TxDOT ARRA projects and 25 projects are MPO/TMA ARRA projects.

These projects are reflected in the STIP and can be viewed at:
<http://www.dot.state.tx.us/business/governments/stips.htm>

I understand that my State or local agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Sincerely,

Amadeo Saenz, Jr., P.E.
Executive Director
